

Sustainable Agritourism Workshop

Date: **June 1, 2017 (Thursday)**

Time: **13:10-14:40**

Venue: Room 107 Faculty of Economics South Building
Center for Tourism Research, Wakayama University

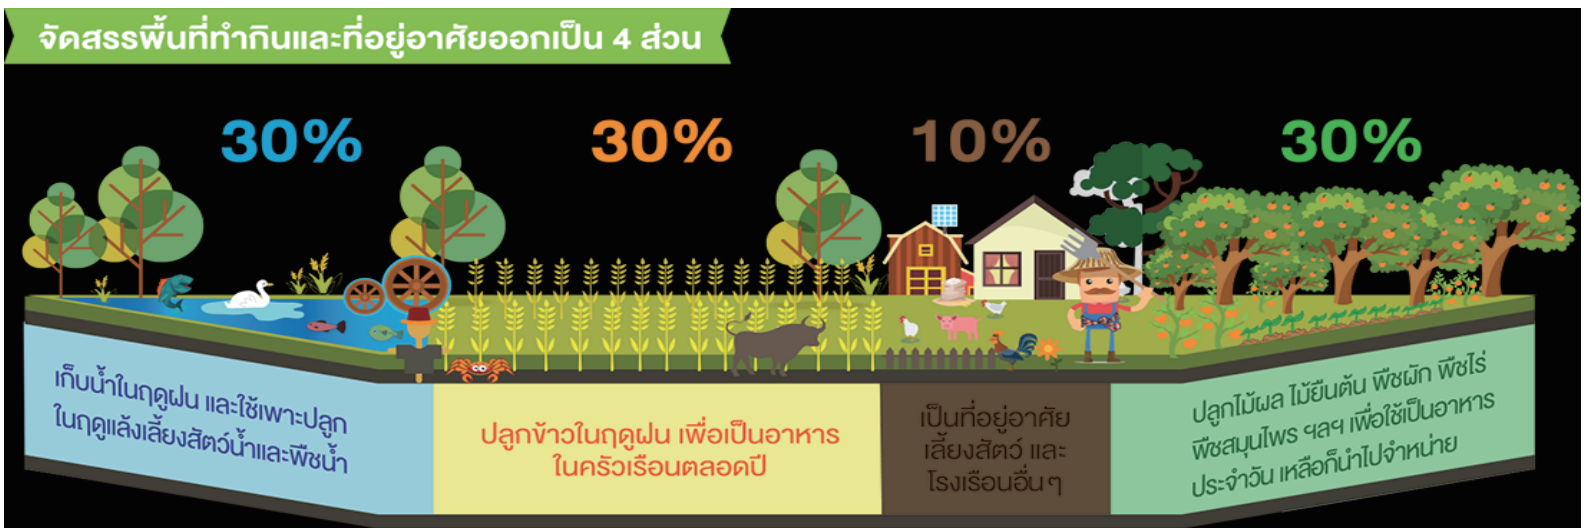

Tourism & Sufficiency Economy

Sufficiency economy is the philosophy for sustainable development proposed by His Majesty King Bhumibol Adulyadej of Thailand.

This workshop offers you to learn how this theory can apply to agriculture and tourism business.

Speaker:
Asst. Prof. Choosit Choochat
Department of Tourism and Hotel
Faculty of Humanities and Social Sciences
Chiang Mai Rajabhat University
